Shaheen-Portman Energy Efficiency Bill and the MLP Parity Act – ML Strategies Weekly Energy and Environmental Update

April 23, 2013 | Blog | By David Leiter

Last week on Capitol Hill, Congress reviewed President Obama's proposed FY14 budget and nominees for several cabinet positions. This past week also saw the introduction of the Shaheen-Portman energy efficiency bill, which many feel could be enacted in the 113th Congress. Another bipartisan proposal gaining traction, the Master Limited Partnership Parity Act, is expected to be introduced in the Senate and House on Wednesday.

For more on the latest energy and clean technology regulatory and legislative developments, including information on Keystone XL bill, and the latest on Ernest Moniz's and Gina McCarthy's nomination processes, please see **ML Strategies**' most recent **Energy and Environmental Update**.
