**ML Strategies** has posted its weekly **Health Care Update**. This publication provides timely information on implementation of the Affordable Care Act, Congressional initiatives affecting the health care industry, and federal and state health regulatory developments.

Last week, two influential Senators in health care policy continued to raise scrutiny on the Hepatitis C Drug, Sovaldi. In other news, the Obama Administration continues to support primary care infrastructure and also Medicaid delivery/payment reform. As we have noted for the past year, the Administration is likely to continue efforts to improve access and reduce health care costs as a key component for a successful Affordable Care Act implementation strategy.
