Our colleagues at **ML Strategies** have provided their **Health Care Weekly Preview** for the week of September 18, 2017. This week's preview focuses on the prognosis for the Graham-Cassidy bill to block grant ACA funding to states, including potential roadblocks imposed by Senators John McCain (AZ), Susan Collins (ME) and Lisa Murkowski (AK). The Weekly Preview also touches on the discord between Senators Lamar Alexander (TN) and Orrin Hatch (UT), who chair the HELP and Finance committees, respectively.
