ML Strategies Health Care Preview - Week of December 11th

December 11, 2017 | Blog | By

VIEWPOINT TOPICS

- Health Care

SERVICE AREAS

- Health Care

This week, Republicans will ramp up efforts to pass a tax reform package. We should also get signs that a year-end spending deal is coming together. How things play out this week -- both inside and outside the Beltway -- will have implications for taxes, health care, and funding the government. For the complete preview, please **click here**.
