Happy New Year and welcome to 2018! Our first weekly preview of the year dives into the issues left unresolved in 2017. Where does CHIP and the minibus fit into the developing government funding bill, which Congress will have to finalize or pass another continuing resolution by January 19th. Also, the repeal of the individual mandate will have implications in the short- and long-term on health policy discussions. For our complete preview, please click [here](#).
