This week, Congress returns to D.C. with 11 days to pass a government funding bill that may touch on issues such as CHIP, the minibus, DACA, and disaster relief. How this all comes together by January 19th will start to play out this week. Meanwhile, the Senate Finance Committee will consider the nomination of Alex Azar to be the Secretary of the Department of Health and Human Services (HHS). We cover that and more in our preview, which can be found **here**.
