VIEWPOINT TOPICS

- Health Care

SERVICE AREAS

- Health Care

This week, the Senate is in session while the House is out on its August recess. The Senate could move the ball on opioids, but it is more likely that it focuses on nominations. Meanwhile, the Administration remains hard at work on the regulatory side, with the Short-Term, Limited Duration Insurance regulation expected in the near future. We cover this and more in this week's preview, which you can find **here**.
