SERVICE AREAS

- Health Care

Congress continues to make progress towards funding the government despite having only seven business days remaining with both chambers in town prior to the September 30 deadline. The House Energy & Commerce Committee will be taking a closer look at value-based care in Medicare, which could touch on potential changes to the Stark Law and the Anti-Kickback Statute. We cover this and more in this week's ML Strategies Health Care Preview, which you can find by clicking **here**.
