VIEWPOINT TOPICS

- Health Care
- Federal Government Relations

SERVICE AREAS

- Federal Government Relations
- Health Care

While Congress is still mired in a partial government shutdown, the Administration is continuing to put out relevant health care regulations and approving new Medicaid work requirements. With the first health care hearings of 2019 beginning next week, we should get a sense of the level of oversight the Administration will be facing this Congress. We cover this and more in this week's health care preview, which you can find by **clicking here**.
