Mintz/ML Strategies' 4th Annual Pharmacy & Pharmaceutical Industry Summit has been scheduled for Thursday, May 2, 2019 – mark your calendars! People from across the industry will gather for one day to share insights about issues that the players in this complex marketplace are tackling.

Hear from industry stakeholders and thought leaders about:

- The HHS proposed rule removing drug rebate protections from the AKS Safe Harbor ([read more here](#))
- Developments in state and federal law
- Enforcement issues and hot topics
- The ongoing drug pricing debate
- Digital technology's ability to lower costs and improve access
- And more!

Stay tuned for registration details. We have been eagerly anticipating this event since finishing last year's summit. We aim to have something for everyone involved in the industry - pharmacies, manufacturers, payors, PBMs, hospitals and other providers.
