This week, House Democrats are pressing forward with a health care package designed to lower drug costs and strengthen the Affordable Care Act (ACA). This package will provide a platform for Democrats to tout legislation that stabilizes the ACA or counteracts actions taken by the Administration. While this legislative package is sure to get a lot of attention following the Department of Justice announcement regarding *Texas v. Azar*, it's unclear how much support it will garner in the Senate. We cover this and more in this week's preview, which you can find by **clicking here**.
